Houston, TX 77024

Re: 2018 Transportation Improvement Program (TIP) Call for Projects – **City of Houston Concurrence**

Dear Mr. Allen:

The City of Houston Review Committee has reviewed the TxDOT Houston District's TIP application for the MKT Connector under the Active Transportation category. The Review Committee has determined that the conceptual design is consistent with city guidelines and plans.

Houston Public Works (HPW) understands that Transportation Alternative Set-Aside (TASA) guidelines may prevent the Texas Department of Transportation from serving as project sponsor. If such a determination is made, HPW will serve as project sponsor.

Please be advised that if any segment of the project falls within City of Houston right-of-way it will be subject to City of Houston design review. It is our understanding that maintenance of the facility will be the responsibility of TxDOT or its partners.

The staff of Houston Public Works is prepared to continue working with you during the project development process. Please contact Ian Hlavacek at 832-395-3002 or Ian.Hlavacek@houstontx.gov if you have any questions or require additional guidance.

Sincerely,

Carol Haddock

Carol Haddock, P.E.
