

ADMINISTRATIVE AMENDMENTS TO THE 2025-2028 TRANSPORTATION IMPROVEMENT PROGRAM AND THE 2045 REGIONAL TRANSPORTATION PLAN

BACKGROUND

The 2025-2028 Transportation Improvement Program (TIP) is a four-year capital improvements program for transportation projects. Under federal rules, all federally assisted projects must be included in the TIP to be eligible for funding. In addition, federal rules require that regionally significant local projects must also be included in the TIP.

The 2045 Regional Transportation Plan (RTP) is a long-range plan that prioritizes spending on regional transportation projects including short and long-range strategies to ensure the transportation network is safe and efficient. Updated every four years, the RTP outlines a fiscally constrained transportation investment program that is based on the unique needs and characteristics of the MPO region. Amendments to the TIP and RTP are brought to the Transportation Policy Council for consideration monthly and amended in accordance with the H-GAC Public Participation Plan.

CURRENT SITUATION

In accordance with the HGAC Public Participation Plan (PPP) administrative amendment requirements, these amendments are being processed within the stipulated limits. A summary of the modifications to the 2025-2028 TIP is included for information below.

- Amend the estimated *Total Project Cost tables* of eight (8) Right-of-Way projects to make them consistent with the associated Construction phase projects processed in October 2024 TPC TIP amendments.
