

5C. APPROVAL OF TRANSPORTATION ADVISORY COMMITTEE MEMBERSHIP UPDATE

BACKGROUND

In January 2023, the Transportation Policy Council (TPC) approved the 2023 Transportation Advisory Committee membership as part of the 2023 TPC Nominating Committee Recommendations item. Approval by the Transportation Policy Council is required for changes to the Transportation Advisory Committee members.

CURRENT SITUATION

The public transit agency positions on the Transportation Advisory Committee (TAC) are appointed by the Transportation Policy Council, and therefore must be approved by this body. Fort Bend County Transit has requested that TAC alternate member, Sarah Coulter, be replaced by another Fort Bend County Transit staff member, Pamela LeBrane. The TPC Nominating Committee is in concurrence and recommends this change in membership.

ACTION REQUESTED

Approval of the Transportation Advisory Committee membership update recommended by the TPC Nominating Committee.
