

8. HOUSEHOLD TRAVEL SURVEY UPDATE

BACKGROUND

The Texas Department of Transportation (TxDOT) Travel Survey Program began the H-GAC Household Travel Survey project in May 2022. Over 10,000 Households were recruited from all eight counties in the H-GAC Metropolitan Planning Organization region during the course of two solid academic school years with final completion in March 2024. All stratified primary and secondary targets were met successfully.

CURRENT SITUATION

This project closed on August 22, 2024, with the entire project team present. TTI, on behalf of TxDOT, will be providing a brief presentation reviewing the final data values and other important analysis findings for the TAC members at the November 6th meeting.
