

12A. JULY 2022 ADMINISTRATIVE MODIFICATIONS TO THE TIP AND RTP

BACKGROUND

The 2023-2026 Transportation Improvement Program (TIP) is a four-year capital improvements program for transportation projects. Under federal rules, all federally assisted projects must be included in the TIP to be eligible for funding. In addition, federal rules require that regionally significant local projects must also be included in the TIP.

The 2045 Regional Transportation Plan (RTP) is a long-range plan that prioritizes spending on regional transportation projects including short and long-range strategies to ensure the transportation network is safe and efficient. Updated every four years, the RTP outlines a fiscally constrained transportation investment program that is based on the unique needs and characteristics of the MPO region.

Amendments to the TIP and RTP are brought to the Transportation Policy Council for consideration monthly and amended in accordance with the H-GAC Public Participation Plan.

CURRENT SITUATION

Consistent with Transportation Policy Council guidance, administrative modifications to the following projects that were completed from the MPO Director and TxDOT District office.

- Add the Right-of-Way ('R') phase to four (4) TxDOT Houston District widening projects on FM 646 and IH 45 S to fulfill a new internal TxDOT Right-of-Way acquisition requirement (MPO ID/CSJ 282/0500-01-119; 514/3049-01-022; 10144/0978-02-053; 10920/3049-01-023).
- Make clerical correction on the TIP detail page to show \$1,028,800 of local funding as the match for Midtown Management District's Surface Transportation Block Grant (STBG) funded Brazos Street Pedestrian-Transit Improvements project (MPO ID 17092/CSJ 0912-72-392).
- Change the sponsor of the Lynchburg Ferry Operations Building Replacement project (MPO 18517/CSJ 0912-72-647) from Harris County to Harris County Toll Road Authority at Harris County's request.
