Re: Landing Blvd Extension Delayed Bid Letting  
MPOID 17080/CSJ # 0912-00-519

Dr. Raborn:

The City of League City is currently in the Final Engineering phase for the extension of Landing Boulevard from FM 518 to NASA 1 Bypass. The project reached the 90% design milestone in May 2021. Due to changes in the proposed land acquisition boundaries and the protracted review process of the U.S. Army Corps of Engineers permit application, the City and TxDOT are proposing the bid letting be delayed from January 2022 to September 2022.

TxDOT previously submitted a request for this delay on the 2021-2024 Transportation Improvement Program. As the project sponsor, the City of League City would like to formally request this delay to the bid letting from TxDOT's Fiscal Year 2022 to FY 2023.

Please feel free to contact me if you have any questions.

Sincerely,

John Baumgartner, ICMA-CM, P.E.  
City Manager

RE: City of Conroe FY 2021 Section 5307 and 5339 TIP Amendment Request

Dear Mr. Raborn:

The City of Conroe (City) respectfully request H-GAC's consideration in granting an amendment to MPOID's 15219, 15218 and 15400. The initial programming amounts were estimates based on FY2018 FTA apportionments. The apportionments increased for fiscal year 2021 and the City would like to amend the amounts. Additionally, the City changed its service contracting structure. As of April 1<sup>st</sup>, 2020, the City has two separate contracts for operating and preventative maintenance/maintenance, instead of one. Which means they now longer will be using capital cost of contracting.
