# Regional Transportation Plan Project Development Process

## Sponsor Workshop

The Houston-Galveston Area Council (H-GAC) is hosting a project sponsor workshop for those interested in submitting projects to the **Regional Transportation Plan (RTP)**. The purpose of the RTP Project Development Process is to establish a primary avenue to add projects to the RTP.

The Regional Transportation Plan (RTP) is the long-range, comprehensive transportation plan for the region that guides major transportation investments over a 20 plus year planning outlook. The plan is accompanied by a fiscally constrained project list, which is comprised of long-term projects that are 10 plus years away from construction.
