

6. AMENDMENTS TO THE 2023-2026 TRANSPORTATION IMPROVEMENT PROGRAM AND THE 2045 REGIONAL TRANSPORTATION PLAN

BACKGROUND

The 2023-2026 Transportation Improvement Program (TIP) is a four-year capital improvements program for transportation projects. Under federal rules, all federally assisted projects must be included in the TIP to be eligible for funding. In addition, federal rules require that regionally significant local projects must also be included in the TIP.

The 2045 Regional Transportation Plan (RTP) is a long-range plan that prioritizes spending on regional transportation projects including short and long-range strategies to ensure the transportation network is safe and efficient. Updated every four years, the RTP outlines a fiscally constrained transportation investment program that is based on the unique needs and characteristics of the MPO region.

Amendments to the TIP and RTP are brought to the Transportation Policy Council for consideration monthly and amended in accordance with the H-GAC Public Participation Plan.

CURRENT SITUATION

A summary of the amendments to the 2023-2026 TIP is included below for the Council's consideration.

- Add \$45K of Surface Transportation Block Grant (STBG) funding and 9K Transportation Development Credits (TDCs) to the Houston-Galveston Area Council's Liberty County and Montgomery County Mobility Plans project (MPO ID 16354/CSJ 0912-00-614) to cover increase consultant costs related to the development of remote presentations required by the COVID-19 outbreak and network modeling issues. (+\$45K; Total Cost: \$1.2M)
- Cancel the Metropolitan Transit Authority of Harris County's (METRO) US 290 Cypress HOV Ramp planning and design project (MPO ID 17010/CSJ 0050-06-088) and transfer its \$4.0M of Congestion Mitigation/Air Quality (CMAQ) funds to the construction phase (MPO ID 17041/CSJ 0050-06-093). Also, add the right-of-way (ROW) phase with \$5.8M of Local Contribution funds. (+\$9.8M; Total Cost: \$41.9M)
- Add \$7.3M of STBG funding to the City of Webster's NASA Road 1 Bypass construction project (MPO ID 17081/CSJ 0912-72-541) to cover design and drainage improvements, associated increased ROW needs and increased costs due to inflation. (+\$7.3M; Total Cost: \$15.3M)
- Update the Statewide Connectivity (Cat-4) and Strategic Priority (Cat-12) funding of the Texas Department of Transportation Houston District (TxDOT) IH-10 West widening project in Fort Bend County (MPO ID 18402/CSJ 0271-05-049) to match the approved funding in the 2022 Unified Transportation Program. (+\$24.0M; Total Cost: \$78.0M)
- Delay the TxDOT Houston District FM 2920 Intelligent Transportation System (ITS) installation project (MPO ID 17045/CSJ 2941-02-054), funded with CMAQ, from FY 2023 to FY 2025 to coordinate construction letting with FM 2920 project CSJ 2941-02-056. (Total Cost: \$1.4M)
- Delay the TxDOT Houston District SH 288 ITS installation project (MPO ID 17090/CSJ 0598-02-120), funded with CMAQ, from FY 2024 to FY 2026 to allow for bridges on the corridor to be completed first. (Total Cost: \$8.0M)
- Delay the TxDOT Houston District SS 10 ITS installation project (MPO ID 17100/CSJ 0187-05-061), funded with CMAQ, from FY 2024 to FY 2026 to allow TxDOT to balance multiple funding category construction lettings under fiscal constraints. (Total Cost: \$4.5M)

- Delay the TxDOT Houston District SH 36 ITS installation project (MPO ID 18404/CSJ 0187-05-062), funded with CMAQ, from FY 2024 to FY 2026 to allow TxDOT to balance multiple funding category construction lettings under fiscal constraints. (Total Cost: \$9.9M)
- Delay the TxDOT Houston District US 290 ITS installation project (MPO ID 18522/CSJ 0114-11-090), funded with CMAQ, from FY 2024 to FY 2025 to allow completion of Computerized Transportation Management System projects on the corridor. (Total Cost: \$11.2M)
- Delay the TxDOT Houston District SH 6 ITS installation project (MPO ID 18523/CSJ 0050-04-029), funded with CMAQ, from FY 2024 to FY 2025 to allow completion of Computerized Transportation Management System projects on the US 290 corridor. (Total Cost: \$5.5M)
- Delay the City of Houston Fondren Road reconstruction project (MPO ID 17093/CSJ 0912-72-381), funded with STBG, from FY 2023 to FY 2024. It was inadvertently advanced to FY 2023 during the 2023 TIP development. (Total Cost: \$25.5M)
- Split the City of Houston Antoine Drive reconstruction and widening project (MPO ID 18034/CSJ 0912-72-615) into two sections, creating (MPO ID 18879/0912-72-687) to assist with environmental documents, PS&E packages and construction lettings. Federal STBG funding will remain the same in the corridor. An additional \$16.5M of Local Contribution will be programmed. (+\$16.5M; Total Cost: \$115.2M)
- Program \$4.2M of District Discretionary federal/state funds for the TxDOT Houston District IH 610 direct connector ramp construction project at IH 10/US 90 (MPO ID 18876/CSJ 0271-15-099) to relieve an identified bottleneck on the corridor. (+\$4.2M; Total Cost: \$4.2M)
- Program the Greater Southeast Management District’s Federal Transit Administration Section 5304, Areas of Persistent Poverty, discretionary grant (MPO ID 18877/CSJ NA) in FY 2023 of the TIP. (+\$314K; Total Cost: \$314K)
- Program The Woodlands Township’s Federal Transit Administration Section 5307, American Rescue Plan Act (ARPA) grant (MPO ID 18878/CSJ NA) in FY 2023 of the TIP. (+\$400K; Total Cost: \$400K)

The proposed amendments to the TIP are summarized by funding category below.

Proposed September TPC Amendments - TIP Budget Effects ¹				
	As of May 2022	As of August 2022	Proposed Amendments (September Action)	Programming as of September 2022 (Pending TPC Approval)
Total Federal Funding Programmed				
Category 2 - Metro and Urban Area Corridors	\$1,453,610,240	\$1,463,539,500	-\$146,000,000	\$1,317,539,500
Category 5 - Congestion Mitigation Air Quality (CMAQ)	\$604,869,695	\$633,839,435	-\$22,899,500	\$610,939,935
Category 7 - Surface Transportation Block Grant (STBG)	\$795,981,665	\$860,585,335	-\$23,089,232	\$837,496,103
Category 9 - Transportation Alternatives - Set Aside (TASA) Program	\$52,939,485	\$52,939,485	-\$1,452,000	\$51,487,485

¹Includes Grouped and TIP status Project Fund Amounts.

ACTION REQUESTED

Transportation Policy Council approval of Resolutions 2022-33 and 2022-34.

Resolution

NO. 2022-33

AUTHORIZING AMENDMENTS OF THE 2045 REGIONAL TRANSPORTATION PLAN (RTP) AND THE 2023-2026 TRANSPORTATION IMPROVEMENT PROGRAM (TIP) FOR THE HOUSTON-GALVESTON TRANSPORTATION MANAGEMENT AREA

WHEREAS, the 2045 Regional Transportation Plan was adopted by the Transportation Policy Council on April 5, 2019; and

WHEREAS, the 2023-2026 Transportation Improvement Program for the Houston-Galveston Transportation Management Area was adopted by the Transportation Policy Council on June 26, 2020; and

WHEREAS, the proposed revisions to the 2023-2026 Transportation Improvement Program are consistent with the 2045 Regional Transportation Plan and its finding of conformance with the State Implementation Plan for air quality; and

WHEREAS, the proposed revisions to the 2023-2026 Transportation Improvement Program are consistent with the federal fiscal constraint requirements established for the Transportation Improvement Program and are consistent with the financially constrained 2045 Regional Transportation Plan.

NOW, THEREFORE, BE IT RESOLVED BY THE TRANSPORTATION POLICY COUNCIL (TPC) FOR THE HOUSTON-GALVESTON TRANSPORTATION MANAGEMENT AREA THAT THE 2045 REGIONAL TRANSPORTATION PLAN AND THE 2023–2026 TRANSPORTATION IMPROVEMENT PROGRAM BE AMENDED TO REFLECT THE REVISIONS IDENTIFIED IN THE TABLE OF **SEPTEMBER 2022 TPC AMENDMENTS**.

BE IT FURTHER RESOLVED THAT FEDERAL FUNDS AUTHORIZED BY THE TPC FROM THE CONGESTION MITIGATION AND AIR QUALITY (CMAQ) AND SURFACE TRANSPORTATION BLOCK GRANT (STBG) PROGRAMS REPRESENT A LIMITING AMOUNT. ANY COST OVERRUNS ON PHASES OF WORK AUTHORIZED BY THE TPC OR COSTS INCURRED ON PHASES OF WORK NOT AUTHORIZED BY THE TPC SHALL BE THE RESPONSIBILITY OF THE PROJECT SPONSOR. IN NO CASE, SHALL FEDERAL PARTICIPATION UNDER THE CMAQ AND STBG PROGRAMS BE INCREASED WITHOUT CONSULTATION AND THE EXPRESS APPROVAL OF THE TPC.

PASSED AND APPROVED this 23rd day of September 2022, at a regularly called meeting of the Transportation Policy Council.

APPROVED:

David W. Robinson (Sep 25, 2022 19:28 CDT)

09/25/2022

Hon. David Robinson, Chairman
Transportation Policy Council

ATTEST:

09/25/2022

Hon. Nancy Arnold, Secretary
Transportation Policy Council

Resolution

NO. 2022-34

APPROVING THE AWARD OF TRANSPORTATION DEVELOPMENT CREDITS (TDCs) AND AUTHORIZING RELATED AMENDMENTS TO THE 2045 REGIONAL TRANSPORTATION PLAN (RTP), AND TO THE 2023-2026 TRANSPORTATION IMPROVEMENT PROGRAM (TIP) FOR THE HOUSTON-GALVESTON TRANSPORTATION MANAGEMENT AREA.

WHEREAS, Texas Administrative Code, Title 43 Subchapter H, identifies the purpose, goals, and administrative requirements for the Transportation Development Credit Program in the State of Texas, including the sub-allocation of credits to Metropolitan Planning Organizations (MPOs); and

WHEREAS, the Texas Department of Transportation has documented the current balance of credits allocated to H-GAC, the MPO for the Houston-Galveston Transportation Management Area; and

WHEREAS, Texas Administrative Code, Title 43 §5.106, establishes requirements for the award of transportation development credits by MPOs; and

WHEREAS, the Houston-Galveston Area Council has established a documented process for the evaluation of applications and the award of credits; and

WHEREAS, the Houston-Galveston Area Council is in receipt of requests for credits; and

WHEREAS, the award of credits for these purposes is consistent with the Policy governing the consideration of requests for credits adopted by the Policy Council on November 20, 2020.

NOW, THEREFORE, BE IT RESOLVED BY THE TRANSPORTATION POLICY COUNCIL (TPC) FOR THE HOUSTON-GALVESTON TRANSPORTATION MANAGEMENT AREA THAT TRANSPORTATION DEVELOPMENT CREDITS BE MADE AVAILABLE TO THE PROJECTS IN THE ATTACHED TABLE #1 AND THAT THE TRANSPORTATION DIRECTOR IS DIRECTED TO ENTER INTO ANY NECESSARY PROJECT AGREEMENTS.

PASSED AND APPROVED this 23rd day of September 2022, at a regularly called meeting of the Transportation Policy Council.

APPROVED:

David W. Robinson (Sep 25, 2022 19:28 CDT)

GUNDA CORPORATION

Engineers, Planners & Managers

June 24, 2022

Carlene Mullins
Principal Planner, Regional Planning
Houston-Galveston Area Council
P.O. Box 22777,
Houston, Texas 77317

**SUBJECT: Request for Budget Increase due to Additional Services
Montgomery County Precinct 2 Mobility Study
GUNDA Proposal No. P19087A**

Dear Mullins:

Gunda Corporation, LLC (GUNDA) respectfully presents you with the additional work performed and required to perform to complete the project. The below mentioned additional work was not scoped in the initial contract and hence GUNDA is making the request for additional fee.

ADDITIONAL SCOPE OF SERVICES

TASK 1: PROJECT MANAGEMENT & COODINATION

Due to extension of the project by 6 months, additional hours are required for project management, bi-weekly meetings, progress reports and invoicing:

Additional fee required for this Task is **\$6,202.24**

TASK 4: PUBLIC OUTREACH

Due to COVID additional hours was spent on preparing for online meetings, rehearsals, recordings, and presentations. Online interactive maps were created (this was not part of the initial scope) for public use which identified the issues, proposed projects, recommendations, and new project cost. Additional stakeholder meetings were organized as part of public outreach.

Additional fee required for this Task is **\$35,708.69**

TASK 5: ANALYSIS

Due to network issues, we did not receive H-GAC travel models with proposed recommendations. We had to code SYNCHRO models for some critical recommendations and compare travel runs and update the report accordingly.

Additional fee required for this Task is **\$14,035.64**

TASK 6: RECOMMENDATIONS

Due to analysis updates ended up changing recommendations and updated the reports and exhibits accordingly.

Additional fee required for this Task is **\$2,339.27**

PROJECT FEE AND SCHEDULE

Total additional fee to complete the project is **\$58,285.84**. See attached **Exhibit A** for the revised schedule and for detailed level of efforts see **Exhibit B**.

In the existing contract we have **\$12,563.53** unused fee for the sub-consultants which can be transferred to GUNDA as part of the additional fee.

Sincerely,
GUNDA CORPORATION, LLC

Lokesh Vijayagopal, P.E., PTOE
Traffic Design Group Manager

Houston, TX 77227-27777

**RE: NASA Road 1 Bypass from FM 528 to Landing Blvd.
CSJ 0912-72-541
Request for Additional Funds**

Dear Mr. Rayborn:

The City of Webster was awarded funding for the NASA Road 1 Bypass project, in 2019. The Advanced Funding Agreement that was approved at that time did not include all required engineering, construction, and right-of-way (ROW) costs needed to deliver the project in accordance with current design criteria, petroleum pipeline conflicts, and traffic safety design enhancements.

Current drainage requirements associated with Atlas-14 has resulted in larger storm sewer, deeper drainage ditches, and a detention pond not included in the original estimate, resulting in the need for additional right-of-way and drainage easement. Petroleum pipelines crossing the project right-of-way conflicted with planned storm sewer and drainage ditches requiring the rerouting of drainage facilities to more distant outfalls increasing project construction costs.

The project also includes a roundabout at the intersection adjacent to CCISD's Challenger Stadium. Roundabouts are proven to reduce the severity of crashes and since this intersection will be heavily used by high school students attending Friday night football games and other school events, the additional right-of-way and increased construction cost needed for the roundabout will pay dividends long into the future in reduced serious accidents.

Additionally, the Houston Metropolitan region has been experiencing escalating construction costs with bid prices increasing approximately 25 percent since the original estimate was prepared in 2018. The City and TxDOT are now preparing the 90% plans with a letting date planned for April of 2023. The opinion of probable construction costs shows significant increases based on recent project bid prices with price escalation expected to continue into next year. To mitigate these increased costs, the City of Webster is requesting \$7,336,895 in additional funding for the engineering, right-of-way, and construction of this project.

Below is a table showing the cost allocation based on the sharing percentages provided in the approved AFA.

<u>Description</u>	<u>Approved Total Estimated Cost</u>	<u>Revised Total Estimated Cost</u>	<u>Requested Cost Increase</u>
Engineering	\$853,000	\$933,970	\$80,970
Right of Way	\$1,812,500	\$2,323,290	\$510,790
Construction	\$4,467,191	\$11,134,575	\$6,667,384
Subtotal	\$7,132,691	\$14,391,835	\$7,259,144
State Costs	\$863,900	\$941,651	\$77,751
TOTAL	\$7,996,591	\$15,333,486	\$7,336,895

Please feel free to contact me if you have any questions or need additional information.

Respectfully,

John D. Warnement, CPWP-M, CPRP

RE: MPO ID 18034/CSJ 0912-72-615 Antoine Drive Reconstruction and Widening – Project Segmentation

Director Raborn:

The City of Houston is working closely with Harris County and the Texas Department of Transportation to develop the subject project. To assist in the timely development of environmental documents, PS&E packages and construction letting, the City respectfully requests your assistance in processing an amendment to the 2023-2026 Transportation Improvement Program to segment the project into two sections at logical termini. Please see the attached exhibit with detailed information regarding this request.

Please note, the scope of work for each segment remains unchanged from our original TIP project application, and at this time no change is being requested to the total amount of federal STBG funds programmed.

Should you have any questions about this request, please contact David Wurdlow (832-395-2054 or David.Wurdlow@houstontx.gov).

Sincerely,

DocuSigned by:

**Re: Greater Southeast Management District
Areas of Persistent Poverty Discretionary FTA Grant Award**

Dear Mr. Raborn:

This letter respectfully requests a revision to the 2022-2023 Unified Planning Work Program (UPWP) and the 2023-2026 Transportation Improvement Program (TIP) to reflect the addition of Federal Transit Administration (FTA) Areas of Persistent Poverty Grant Funding¹ recently awarded to the Greater Southeast Management District.

PROJECT: Complete planning, preliminary engineering, and NEPA to improve multimodal safety, increase access to public transportation, and improve economic outcomes.

FEDERAL:	\$283,000
LOCAL:	\$31,445
TOTAL:	\$314,445

If you have any questions regarding this request, please contact Nikki Knight, Interim Program Manager at (832) 549-3190 or via email at nknight@houstonse.org.

Respectfully,

**Re: The Woodlands Township – American Rescue Plan Route Planning Discretionary Grant
Transportation Improvement Program & Unified Planning Work Program Updates**

Dear Mr. Raborn,

This letter respectfully requests a revision to the FY 2022-2023 Unified Planning Work Program (UPWP) and the 2023-2026 Transportation Improvement Program (TIP) to reflect the addition of American Rescue Plan Act (ARPA) Route Planning Discretionary Grant Funding¹ provided by the Federal Transit Administration (FTA) to The Woodlands Township.

Project	Complete transit plan to evaluate post-COVID 19 service levels
Federal	\$400,000
Local	\$0
Total	\$400,000

If you have any questions regarding this request, please contact me at (346) 334-1027 or email me at RHaut@thewoodlandstowship-tx.gov.

Respectfully,

Ruthanne Haut
Deputy Director
The Woodlands Township

TIP Project Description

Montgomery County Precinct 2 Mobility study consultant team is requesting additional funds for work that was not in the original scope of work. The additional work was the result of COVID 19, the H-GAC data breach and the discontinued use of Aimsun modeling software. Due to COVID-19 and the end of in-person meetings, the consultant team had to learn how to conduct meetings virtually which took more time than the scoped in-person meetings. The second reason has to do with the data breach that occurred in December 2021. One of the networks that housed the MP2 modeling information was not recovered, therefore the consultant team had to spend additional time analyzing the proposed scenarios. The third reason is that the consultant team did not receive the sub-area alternative analysis that was to be performed by Aimsun. The used of the software ended before the alternatives analysis was performed, thus creating additional work for the consultant team that was not scoped.

Priority Use of TDCs

TDC Priority

Other Regionally Significant Project

Please explain how the use of TDCs will help meet the priority established for this project.

The use of TDCs for Montgomery County Precinct 2 Mobility study will provide detailed information and recommendations to local and regional entities to develop projects that advance the goals of the region as defined in the 2045 Regional Transportation Plan. Outcomes from these studies will be incorporated into regional and local plans and funding opportunities.

Maintenance of Local Investment

Roadway, Transit, or Other Project?

Other Project

Explain and document how TDCs will advance the regional goals established in the Regional Transportation Plan, i.e. Improve Safety, Move People and Goods efficiently, Achieve/Maintain State of Good Repair, Strengthen regional Economic Competitiveness, and Conserve and Protect Natural and Cultural Resources.

The use of TDCs for mobility plans, including Montgomery County Precinct 2 Mobility study, will aide in achieving the regional goals defined by the Regional Transportation Plan by providing a focused examination of specific project study areas identified by local entities as in need of improvement of one or more of the regional goals. Through coordination with local stakeholder committees and the public, these studies will provide guidance for future project development and coordination of multimodal transportation improvements.
