Dear Mr. Raborn,

GCTD respectfully requests H-GAC re-program the remaining balances of GCTD's FY 13 to FY 20 program of projects awarded under FTA Formula 5307 program into the FY22 TIP as a Super Grant. This request comes from both GCTD and the FTA.

The remaining unexpended balances of FTA 5307 federal funding and Transportation Development Credits of GCTD's FY 13 to FY 20 program of projects are shown in the table below and will be programmed in FY 22 of the TIP. If you have any questions regarding this request, please contact me at (409) 359-7889 or email me at [smiddleton.@gulfcoasttransitdistrict.com](mailto:smiddleton.@gulfcoasttransitdistrict.com).

## Project Information

### TIP Project Description

The Gulf Coast Transit District is requesting 303,837 TDCs for MPO ID 11732 that was originally programmed with a local match. It's a 50% match for Transit Operating expenses of \$330,837 in Federal Funds

Federal Cost	TDC Request
\$330,837	330,837
Is this project currently in the TIP?	TIP Year
Yes	2022

## Priority Use of TDCs

### TDC Priority

Support of Federal Transit Funding

### Please explain how the use of TDCs will help meet the priority established for this project.

GCTD will use TDCs as local match for the FY15 Urban Area Formula Program funding and use existing local funding, which would have been applied to operations, to support other on-going transit needs, including but not limited to the purchase of rolling stock.

## Maintenance of Local Investment

### Roadway, Transit, or Other Project?

Transit Project

### Explain and document the effect the TDC's will have on local and non-federal funding support for existing transit services.

TDCs will allow GCTD to utilize 100% of their 5307 funds on Operations so the local funds, normally allocated to this project, can be used to better support public transit. With TDCs matching the FY15 5307 grant, existing local funding will be used to support on-going transit operations and enable the purchase of rolling stock. GCTD continues to provide local funding in support of public transit and has a local funding budget of approximately \$800,000 for FY22.
