Call to Order/Welcome/Introductions

Discussion: Recap the Process to date

H-GAC staff will review the stakeholder TMDL process that began January 24, 2013 and include the latest developments. Staff will initiate discussion with the committee to consider how best to integrate with the BIG.

Discussion: Review 2016 Reporting

Work group will review the work group schedules, priorities for data collection/implementation activities, and discuss expectations.

Discussion: Review Implementation Website.

Work group will listen to a presentation on the draft implementation website and will have an opportunity to provide comments and direction to H-GAC staff.
