RE: Downtown Project – Request Additional Funding for Transit Vehicles

Dear Mr. Raborn,

This letter serves as a request for additional funds in the amount of \$476,000 with TDC's for the purchase of rolling stock for the Downtown expansion project. The manufacturing industry has experienced significant delays producing transit vehicles due to the world-wide micro-chip and chassis shortage. These supply chain issues have resulted in limited manufacturing supplies and increased cost.

Funding for Downtown vehicles under MPOID 18012 (\$4,504,864) is obligated. The additional funds will bring the total project cost to \$4,980,864.

Thanks for your consideration. Please feel free to contact me at (281) 243-6701 with any questions.

Sincerely,

Re: Change of Sponsorship for SH 146 (MPO ID 536/CSJ 0389-13-039)

Dear Mr. Dickinson,

This letter is to document the concurrence of the City of Baytown to change the sponsorship of the SH 146 main lane and grade separation project from the City to the Texas Department of Transportation, which changes the proposed funding from City funding to state/federal funding and changes the proposed letting from Fiscal Year 2024 to Fiscal Year 2022. Please draft a Transportation Improvement Program (TIP) Amendment to reflect this change.

Please contact Frank Simoneaux, the City's Director of Public Works and Engineering, at frank.simoneaux@baytown.org if you have any questions.

Respectfully,

Richard L. Davis
