# Liberty County Hazard Mitigation Plan Committee Meeting

7/31/2024 (Virtual, via Teams)

## **TDEM Submittal & Plan Approval**

After comments are addressed within the plan it will be sent to the TDEM liaison with the plan approval checklist. After the liaison reviews the plan, it will be sent to TDEM HQ for review, and from there it will go to FEMA for review/approval. While the plan is moving through this review and approval process all jurisdictions will be expected to push the public survey, post flyers that link to the plan and survey in city hall and other public spaces, and host public hearings or informational events for citizens.

**The plan and plan review document will be submitted to TDEM on 8/9/2024.**

When FEMA approves the plan, all jurisdictions will adopt the plan via resolution.

**Meeting adjourned at 11:21 AM.**
