

## 9. PROJECT SELECTION PROCESS UPDATE

### **BACKGROUND**

---

At the March 2020 Transportation Policy Council (TPC) meeting, the Council approved goals, priorities, and policies for selection and prioritization of projects to be programmed in Transportation Improvement Program (TIP), 10-Year Plan, and the Regional Transportation Plan (RTP). These goals, priorities and policies guide the H-GAC staff, Transportation Advisory Committee (TAC), and the TIP Subcommittee in development of project selection criteria and evaluation methodologies for project planning and programming. At the January 2023 meeting, TPC authorized the MPO staff to initiate the Project Selection Process.

### **CURRENT SITUATION**

---

Staff is continuing to evaluate the project readiness information for the top scoring projects submitted for consideration in the following five investment categories:

- Major Projects
- High Growth Area Needs
- Operational Improvements and Congestion Management
- Resiliency and State of Good Repair
- Transit

After completing the readiness assessment, a revised list of project rankings will be posted at <https://www.h-gac.com/transportation-project-selection-process> prior to the TAC meeting.
