

10B. FUTURE AMENDMENTS TO THE 2023-2026 TRANSPORTATION IMPROVEMENT PROGRAM AND THE 2045 REGIONAL TRANSPORTATION PLAN

### BACKGROUND

---

The 2023-2026 Transportation Improvement Program (TIP) is a four-year capital improvements program for transportation projects. Under federal rules, all federally assisted projects must be included in the TIP to be eligible for funding. In addition, federal rules require that regionally significant local projects must also be included in the TIP.

The 2045 Regional Transportation Plan (RTP) is a long-range plan that prioritizes spending on regional transportation projects including short and long-range strategies to ensure the transportation network is safe and efficient. Updated every four years, the RTP outlines a fiscally constrained transportation investment program that is based on the unique needs and characteristics of the MPO region.

Amendments to the TIP and RTP are brought to the Transportation Policy Council for consideration monthly and amended in accordance with the H-GAC Public Participation Plan.

### CURRENT SITUATION

---

A summary of the proposed revisions to the 2023-2026 TIP and 2045 RTP is included below for the Committee's review.

**RE: MPO ID TBD/CSJ 0912-72-696 Telephone Road: Main Street Revitalization – RAISE Grant**

Director Raborn:

The City of Houston is excited to have been awarded a significant grant by the U.S. Department of Transportation under the 2022 Rebuilding American Infrastructure with Sustainability & Equity (RAISE) program. The City is working closely with FHWA Texas Division to enter into the grant agreement and TxDOT to enter into an agreement for performing NEPA review and approval.

To facilitate the grant agreement and future TxDOT action on environmental documentation, the City respectfully requests your assistance in processing an amendment to the 2023-2026 Transportation Improvement Program to individually list the project and present it for inclusion into the Statewide TIP at the earliest opportunity. Please see the attached exhibit with detailed information regarding this request.

Should you have any questions about this request, please contact David Wurdlow (832-395-2054 or [David.Wurdlow@houstontx.gov](mailto:David.Wurdlow@houstontx.gov)).

Sincerely,
