H-GAC, in partnership with Austin County, City of Bellville, City of Brazos Country, City of Industry, City of San Felipe, City of Sealy, City of South Frydek, and City of Wallis will be hosting a public hearing on July 19<sup>th</sup> and July 20<sup>th</sup> from 6:00- 8:00 PM to gather public input for updating the Austin County Multijurisdictional Hazard Mitigation Plan.

The purpose of this public hearing is to provide a project overview from H-GAC and solicit feedback and information from stakeholders. Public input will help the project team to analyze potential hazards affecting residents and recommend possible actions to reduce their impact.

**Public Hearing #1:**

**July 19, 2023, from 6-8 PM** at the Austin County Fair Convention & Expo Center  
1076 Hwy 159 E, Bellville, TX 77418

**Public Hearing #2:**

**July 20, 2023, from 6-8 PM** at the W.E Hill Community Center  
1000 Main St, Sealy, TX 77474

The goal of the Hazard Mitigation Plan is to reduce or eliminate long-term risk to life and property from natural hazard events by identifying and implementing cost-effective mitigation actions. Mitigation is defined by the Federal Emergency Management Agency (FEMA) as sustained actions taken to reduce or eliminate long-term risk to people and property from hazards and their effects. Your input is critical in helping to ensure we know your concerns and build a plan that helps address them.
