

5B. AMENDMENTS TO THE 2023-2026 TRANSPORTATION IMPROVEMENT PROGRAM AND THE 2045 REGIONAL TRANSPORTATION PLAN

### BACKGROUND

---

The 2023-2026 Transportation Improvement Program (TIP) is a four-year capital improvements program for transportation projects. Under federal rules, all federally assisted projects must be included in the TIP to be eligible for funding. In addition, federal rules require that regionally significant local projects must also be included in the TIP.

The 2045 Regional Transportation Plan (RTP) is a long-range plan that prioritizes spending on regional transportation projects including short and long-range strategies to ensure the transportation network is safe and efficient. Updated every four years, the RTP outlines a fiscally constrained transportation investment program that is based on the unique needs and characteristics of the MPO region.

Amendments to the TIP and RTP are brought to the Transportation Policy Council for consideration monthly and amended in accordance with the H-GAC Public Participation Plan.

### CURRENT SITUATION

---

A summary of the proposed revisions to the 2023-2026 TIP and 2045 RTP are included below for the Committee's review.

- Advance METRO's METRORapid Gulfton Corridor southern extension (formerly 'Uptown Bus Rapid southern extension') project (MPO ID 18160) from FY 2028 in the Ten-Year Plan (10Y) into FY 2024 of the TIP, increasing local funding from \$169.3M to \$250.0M, to prepare it for a Federal Transit Administration (FTA) Small Starts program application for federal funding. (+\$80.7M; Total Cost: \$250.0M)
- Advance the Regional Transit Fare Collection System (FY 2023-2026) set-aside project (MPO ID 18260) from FY 2025 in the 10Y into FY 2023 of the TIP, increasing federal Congestion Mitigation/Air Quality (CMAQ) funding from \$12.7M to \$40.3M, matched with 8.0M Transportation Development Credits (TDCs), to fully fund the system for implementation. Also, change the sponsor from the Houston-Galveston Area Council to METRO and designate the authorized phase as 'Transfer' to enable the funds to be transferred to the FTA. (+\$27.7M; Total Cost: \$40.3M)
- Add \$688K total (\$344K Federal and \$344K Local Match) of Surface Transportation Block Grant (STBG) funding to the Memorial City Redevelopment Authority's FY 2019 Gessner Road Reconstruction project (MPOID 17129) to cover unforeseen increases in construction management and engineering caused by changes in contract regulations. (+\$688K; Total Cost: \$15.0M)
- Increase Right-of-Way (ROW) funding on TxDOT Houston District's IH 10 West reconstruction and widening project (MPOID 10334) to cover increased estimates for utilities relocation. (+\$19.0M; Total Cost: \$152.7M)

- 
- Delay TxDOT Houston District's SH 35/SP 5 freeway construction project (MPOID 209) to FY 2026 due to ROW issues and to coordinate it with an adjacent City of Houston project. Also, make a minor clarification in the description. (Total Cost: \$60.6M)
  - Delay TxDOT Houston District's SH 35 frontage roads construction project (MPOID 210) to FY 2026 due to ROW issues. Also, make a minor clarification in the description. (Total Cost: \$20.2M)
  - Delay TxDOT Houston District's IH 610 direct connectors construction at SH 35 project (MPOID 18048) to FY 2026 due to ROW and utilities issues and to coordinate it with an adjacent City of Houston project. Also, make a minor clarification in the description. (Total Cost: \$200.7M)
  - Delay TxDOT Houston District's Category 2 funded FM 517 widening project (MPOID 38) to FY 2028 due to ROW issues. (Total Cost: \$87.8M)
  - Delay TxDOT Houston District's SH 36 widening project (MPOID 263) to FY 2026 due to ROW and utilities issues. (Total Cost: \$45.0M)
  - Delay TxDOT Houston District's FM 2100 reconstruction and widening project (MPOID 290) to FY 2026 due to ROW issues. (Total Cost: \$42.9M)
  - Delay TxDOT Houston District's CMAQ funded FM 2920 Intelligent Transportation System installation project (MPOID 17045) to FY 2027 due to a pending City of Tomball decision regarding design and ROW issues with the corridor's reconstruction project (MPO ID 17085). (Total Cost: \$1.9M)
  - Delay TxDOT Houston District's FM 1960 Intelligent Transportation System installation project (MPOID 17088) to FY 2026 to coordinate scheduling with intersection improvements on the corridor. (Total Cost: \$10.9M)
  - Delay TxDOT Houston District's FM 518 shared-use path construction project (MPOID 17122) to FY 2024 due to utilities issues. (Total Cost: \$13.4M)
  - Delay TxDOT Houston District's US 90A reconstruction and widening project (MPOID 18029) to FY 2025 due to utilities issues. (Total Cost: \$35.0M)

<b>Proposed April 2023 TPC Amendments - TIP Budget Effects</b>				
<b>Total Federal Funding Programmed</b>	As of May 2022	As of March 2023	Proposed Amendments (April Action)	Programming as of April 2023 (Pending TPC Approval)
Category 2 - Metro and Urban Area Corridors	\$1,453,610,240	\$1,113,706,072	\$70,252,840	\$1,043,453,232
Category 5 - Congestion Mitigation Air Quality (CMAQ)	\$604,869,695	\$609,437,568	\$26,564,200	\$636,001,768
Category 7 - Surface Transportation Block Grant (STBG)	\$795,981,665	\$867,383,611	\$343,966	\$867,727,577
Category 9 - Transportation Alternatives - Set Aside (TASA) Program	\$52,939,485	\$50,035,485	\$0	\$50,035,485
<sup>1</sup> Includes Grouped and TIP status Project Fund Amounts.				

**ACTION**

Request TPC approval of Resolutions 2023-16 and 2023-17.

# Resolution

NO. 2023-16

AUTHORIZING AMENDMENTS OF THE 2045 REGIONAL TRANSPORTATION PLAN (RTP) AND THE 2023-2026 TRANSPORTATION IMPROVEMENT PROGRAM (TIP) FOR THE HOUSTON-GALVESTON TRANSPORTATION MANAGEMENT AREA

**WHEREAS**, the 2045 Regional Transportation Plan was adopted by the Transportation Policy Council on April 5, 2019; and

**WHEREAS**, the 2023-2026 Transportation Improvement Program for the Houston-Galveston Transportation Management Area was adopted by the Transportation Policy Council on May 20, 2022; and

**WHEREAS**, the proposed revisions to the 2023-2026 Transportation Improvement Program are consistent with the 2045 Regional Transportation Plan and its finding of conformance with the State Implementation Plan for air quality; and

**WHEREAS**, the proposed revisions to the 2023-2026 Transportation Improvement Program are consistent with the federal fiscal constraint requirements established for the Transportation Improvement Program and are consistent with the financially constrained 2045 Regional Transportation Plan.

NOW, THEREFORE, BE IT RESOLVED BY THE TRANSPORTATION POLICY COUNCIL (TPC) FOR THE HOUSTON-GALVESTON TRANSPORTATION MANAGEMENT AREA THAT THE 2045 REGIONAL TRANSPORTATION PLAN AND THE 2023–2026 TRANSPORTATION IMPROVEMENT PROGRAM BE AMENDED TO REFLECT THE REVISIONS IDENTIFIED IN THE TABLE OF **APRIL 2023 TPC AMENDMENTS**.

BE IT FURTHER RESOLVED THAT FEDERAL FUNDS AUTHORIZED BY THE TPC FROM THE CONGESTION MITIGATION AND AIR QUALITY (CMAQ) AND SURFACE TRANSPORTATION BLOCK GRANT (STBG) PROGRAMS REPRESENT A LIMITING AMOUNT. ANY COST OVERRUNS ON PHASES OF WORK AUTHORIZED BY THE TPC OR COSTS INCURRED ON PHASES OF WORK NOT AUTHORIZED BY THE TPC SHALL BE THE RESPONSIBILITY OF THE PROJECT SPONSOR. IN NO CASE, SHALL FEDERAL PARTICIPATION UNDER THE CMAQ AND STBG PROGRAMS BE INCREASED WITHOUT CONSULTATION AND THE EXPRESS APPROVAL OF THE TPC.

**PASSED AND APPROVED** this 28th day of April 2023, at a regularly called meeting of the Transportation Policy Council.

APPROVED:

  
Justin Beckendorff (May 8, 2023 17:01 CDT)

05/08/2023

Hon. Justin Beckendorff, 1<sup>st</sup> Vice Chair  
Transportation Policy Council

ATTEST:

05/08/2023

Hon. Nancy Arnold, Secretary  
Transportation Policy Council

# Resolution

## NO. 2023-17

APPROVING THE AWARD OF TRANSPORTATION DEVELOPMENT CREDITS (TDCs) AND AUTHORIZING RELATED AMENDMENTS TO THE 2045 REGIONAL TRANSPORTATION PLAN (RTP), AND TO THE 2023-2026 TRANSPORTATION IMPROVEMENT PROGRAM (TIP) FOR THE HOUSTON-GALVESTON TRANSPORTATION MANAGEMENT AREA.

WHEREAS, Texas Administrative Code, Title 43 Subchapter H, identifies the purpose, goals, and administrative requirements for the Transportation Development Credit Program in the State of Texas, including the sub-allocation of credits to Metropolitan Planning Organizations (MPOs); and

WHEREAS, the Texas Department of Transportation has documented the current balance of credits allocated to H-GAC, the MPO for the Houston-Galveston Transportation Management Area; and

WHEREAS, Texas Administrative Code, Title 43 §5.106, establishes requirements for the award of transportation development credits by MPOs; and

WHEREAS, the Houston-Galveston Area Council has established a documented process for the evaluation of applications and the award of credits; and

WHEREAS, the Houston-Galveston Area Council is in receipt of requests for credits; and

WHEREAS, the award of credits for these purposes is consistent with the Policy governing the consideration of requests for credits adopted by the Policy Council on November 20, 2020.

NOW, THEREFORE, BE IT RESOLVED BY THE TRANSPORTATION POLICY COUNCIL (TPC) FOR THE HOUSTON-GALVESTON TRANSPORTATION MANAGEMENT AREA THAT TRANSPORTATION DEVELOPMENT CREDITS BE MADE AVAILABLE TO THE PROJECTS IN THE ATTACHED TABLE# 1 AND THAT THE TRANSPORTATION DIRECTOR IS DIRECTED TO ENTER INTO ANY NECESSARY PROJECT AGREEMENTS.

PASSED AND APPROVED this 28th day of April 2023, at a regularly called meeting of the Transportation Policy Council.

APPROVED:

  
Justin Beckendorff (May 8, 2023 17:01 CDT)

05/08/2023

Hon. Justin Beckendorff, 1<sup>st</sup> Vice Chair  
Transportation Policy Council

ATTEST:

PHASE: C=CONSTRUCTION, E = ENGINEERING, R = ROW, T = TRANSFER

**February 3, 2023**

Mr. Craig Raborn  
Director of Transportation Planning  
Houston-Galveston Area Council

**Re: Memorial City Redevelopment Authority – Gessner Road Reconstruction  
CSJ: 0912-72-373**

Dear Mr. Raborn,

The Memorial City Redevelopment Authority (MCRA) was awarded funding by the Houston-Galveston Area Council (H-GAC) for the subject project in 2015. The project design was completed in May 2019, construction began in July 2019 and construction was completed in November 2021. In January 2023 we received initial project close-out documentation from the Texas Department of Transportation (TxDOT). The close out documentation indicated that the project had experienced \$829,529.50 in increased costs between project letting and project close-out. Most of this cost increase (\$687,931.84) is associated with the costs that TxDOT incurred via their performance of construction management services for the project. The notification received in January 2023 was the first time that cost information associated with construction management services had been relayed to the MCRA.

Upon project letting, TxDOT provided an estimate for their construction management and engineering reviews of \$1,290,000 (9% of total cost). At close out, those costs totaled \$1,977,931.84 (13.4% of construction cost). The project was let and managed by TxDOT. Construction management services were provided by TxDOT, via a third-party contractor. The MCRA was not party to the award or management of that contract.

The project was completed per the project schedule and the construction contract itself was generally consistent with the budget and engineer's estimate (within 1.4%). TxDOT informed the MCRA that the reason for the increased construction management and engineering cost was due to the utilization of a third-party contractor rather than TxDOT staff, which is a change in how TxDOT has managed local government projects in the past. This method of completing the work was not incorporated in TxDOT's original statement of cost received by the MCRA in 2019.

The MCRA requests H-GAC participation in the amount associated with TxDOT's increased construction management and engineering costs of \$687,931.84. The MCRA interprets this as different than a cost increase; it is a cost generated due to an unforeseeable change in regulations being applied to this project. It is our understanding that a similar shift to third-party construction management has been applied to another MCRA project that is underway, indicating that this is a condition that may affect other projects in the region.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Rickel", is written over a printed name.

John Rickel

Houston, TX 77227-2777

**ATTN: Adam Beckom**

Re: TIP/STIP Amendment for MPOID 18160

Dear Mr. Raborn:

I am writing to request your assistance in the development of the METRORapid Gulfton Corridor project that introduces Bus Rapid Transit (BRT) service into the Gulfton area. This project is a part of METRONext and is included in the air quality conforming 2045 Regional Transportation Plan (RTP) as:

MPOID /Facility Name:	18160/Uptown BRT
Limits:	Bellaire/Uptown Transit Center to Gulfton Transit Center (5.2 miles)
Description:	Southern extension of Uptown BRT
Cost:	\$169.34 million

It is METRO's intention to submit the project to the Federal Transit Administration (FTA) later this year for consideration for Small Starts grant funding. To ensure compliance with the Small Starts application requirements and to ensure the project is competitive for the federal fiscal year 2025 budget cycle, METRO requests your assistance in advancing the project into the 2023-2026 Transportation Improvement Program (TIP) and Statewide TIP (STIP) for the May 2023 Quarterly Revision.

METRO requests an amendment to the 2023-2026 TIP to move the project from the 2045 Regional Transportation Plan's (RTP) 10-year plan to fiscal year 2024 in the TIP. To align the TIP/STIP with the Small Starts application, the project information should be updated as follows:

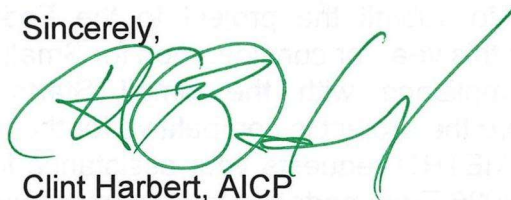

MPOID /Facility Name: 18160/METRORapid Gulfton Corridor  
Limits: Westpark/Lower Uptown Transit Center to vicinity of Hillcroft Avenue and Beechnut Street (approximately 5 miles)  
Description: Southern extension of METRORapid Silver Line  
Cost: \$250 million

The METRORapid Gulfton Corridor project should be shown as locally funded pending a federal award. Design is anticipated to begin in fiscal year 2024 with construction beginning in fiscal year 2025. METRO will seek federal funding assistance for all project phases including environmental, right-of-way, utilities, design, and construction.

The current design concept represents a modest realignment of the concept shown in METRONext and is based on ongoing public engagement and discussion with stakeholders along the corridor. The route will begin at the Westpark/Lower Uptown Transit Center and will end on-street in the vicinity of Hillcroft Avenue and Beechnut Street. The approximate length and scope of the project are unchanged. The slight realignment should not pose any risk to the conformity determination, especially when considering that modeled emissions for the 2045 RTP are much lower than the State Implementation Plan budgets for the region. It is anticipated that the realignment will result in higher ridership along the route, resulting in a larger shift from single auto occupancy to transit during peak periods.

Thank you for your assistance with this request. If you have any questions regarding this request, please contact me at [Clint.Harbert@ridemetro.org](mailto:Clint.Harbert@ridemetro.org).

## Contact Information

Name	Phone Number	E-Mail Address
Alan Clark	713-615-6340	alan.clark@ridemetro.org

## Project Information

MPOID	Sponsor Name
18260	Metropolitan Transit Authority of Harris County

### TIP Project Description

Regional "Seamless" Fare Collection System (MPO ID 18260) - Project will enable transit patrons to purchase one fare for use on multi-agency transit trips.

Federal Cost	TDC Request
\$40,317,000	8,063,400

Is this project currently in the TIP?	TIP Year
Yes	2023

## Priority Use of TDCs

### TDC Priority

Other Regionally Significant Project

### Please explain how the use of TDCs will help meet the priority established for this project.

TDCs will allow all transit agencies participating in the development and deployment of the project to work co-operatively utilizing interlocal agreements to participate in the METRO led acquisition of trip planning and fare related hardware and software. With its acquisition and deployment, the transit patron will be able to plan and procure fare media across multiple connecting transit agencies.

## Maintenance of Local Investment

### Roadway, Transit, or Other Project?

Transit Project

### Explain and document the effect the TDC's will have on local and non-federal funding support for existing transit services.

This project will increase transit ridership, potentially leading to the need for increased transit services. This project will not reduce the non-federal funding required by participating transit providers.
