

4B. AMENDMENTS TO THE 2023-2026 TRANSPORTATION IMPROVEMENT PROGRAM AND THE 2045 REGIONAL TRANSPORTATION PLAN

**BACKGROUND**

---

The 2023-2026 Transportation Improvement Program (TIP) is a four-year capital improvements program for transportation projects. Under federal rules, all federally assisted projects must be included in the TIP to be eligible for funding. In addition, federal rules require that regionally significant local projects must also be included in the TIP.

The 2045 Regional Transportation Plan (RTP) is a long-range plan that prioritizes spending on regional transportation projects including short and long-range strategies to ensure the transportation network is safe and efficient. Updated every four years, the RTP outlines a fiscally constrained transportation investment program that is based on the unique needs and characteristics of the MPO region.

Amendments to the TIP and RTP are brought to the Transportation Policy Council for consideration monthly and amended in accordance with the H-GAC Public Participation Plan.

**CURRENT SITUATION**

---

A summary of the proposed revisions to the 2023-2026 TIP and 2045 RTP is included below for the Committee’s review.

- Add \$11.2M of Local funding to the Lake Houston Redevelopment Authority’s Northpark Drive 6-lane widening project (MPOID 87) to cover increased estimates based on inflation, a railroad agreement and right-of-way acquisitions. (+\$11.2M; Total Cost: \$76.2M)
- Add \$500K of Local funding to Harris County’s Bourgeois Road 4-lane widening project (MPOID 8067) to cover increased estimates of construction costs. (+\$500K; Total Cost: \$10.5M)

- Delay Harris County’s locally funded Underwood Road construction project (MPOID 147) from FY 2026 to FY 2032 in the Ten-Year Plan due to a reassessment of project priorities. (Total Cost: \$4.8M)
