

7. AMENDMENTS TO THE 2025-2028 TRANSPORTATION IMPROVEMENT PROGRAM AND THE 2045 REGIONAL TRANSPORTATION PLAN

**BACKGROUND**

---

The 2025-2028 Transportation Improvement Program (TIP) is a four-year capital improvements program for transportation projects. Under federal rules, all federally assisted projects must be included in the TIP to be eligible for funding. In addition, federal rules require that regionally significant local projects must also be included in the TIP.

The 2045 Regional Transportation Plan (RTP) is a long-range plan that prioritizes spending on regional transportation projects including short and long-range strategies to ensure the transportation network is safe and efficient. Updated every four years, the RTP outlines a fiscally constrained transportation investment program that is based on the unique needs and characteristics of the MPO region.

Amendments to the TIP and RTP are brought to the Transportation Policy Council for consideration monthly and amended in accordance with the H-GAC Public Participation Plan.

**CURRENT SITUATION**

---

A summary of the proposed revisions to the 2025-2028 Transportation Improvement Program is included below.

- Program TxDOT Houston District’s SH 99 direct connectors (WB-NB, SB-EB) construction project at IH 45 North (MPO ID 15591) with \$47.4 of State Toll funding in FY 2027 and retain the other four direct connectors in FY 2040 (MPO ID 19244) of the 2045 RTP at TxDOT’s request.
