Dear Ms. Paul,

As Mayor of Morgan's Point, I want to convey the City's support for the TXDOT 225 Redevelopment plan.

The increased freight movement over the last ten years is expected to continue. To facilitate this growth and ensure safe travel of commercial and noncommercial vehicles, implementation of TXDOT's 225 Redevelopment plan, specifically Alternative #5 makes sense.

I'd like to thank you and district staff for facilitating the 225 Redevelopment plan and seeking input from stakeholders.

Sincerely,

Michel J. Bechtel
Mayor
